

# Table of Contents

**Part One Introduction ..... 1**

**Part Two Anti-Drug Strategies and Organization..... 3**

**I. Law Enforcement ..... 4**

1. Establishing and Implementing An Integrated Anti-Drug Law Enforcement System

2. Reinforcing the Coastal Guard

3. Curbing the Inflow of Narcotics Smuggled from China

4. Strengthening the Investigation of Neo-type Emerging Narcotics

**II. Anti-Drug Measures ..... 4**

1. Educating the Public through Mass Media

2. Constructing an Anti-Drug Abuse system by Implementing Drug Screen

3. Improving Anti-Drug Campaigns with Integrated Social Resources and the Tightened Control of Substance Abuse

4. Preventing Hazardous Drugs by Encouraging Teenagers' Participation in Voluntary Anti-Drug Service, Holding Practicable Leisure Activities and Improving the Quality of Life

**III. Drug Rehabilitation ..... 4**

1. Strengthening the Rehabilitation System and Developing Rehabilitation Models

2. Improving the Performance of Rehabilitation with Tracking and Counseling Service

3. Improving Medical Resources in Rehabilitation Institutions and Continuing to Implement Hospital-Based Rehabilitation Centers

4. Making the Best of Social Resources and Encouraging Private Rehabilitation Services

5. Expanding the Drug Abuse System and Researching on Other Relevant

Systems in Taiwan

6.Strengthening the Analysis and Research on Neo-type Emerging Narcotics

7.Analyzing and Reviewing Anti-Drug Abuse Measures

### Part Three Law Enforcement for Drug Crimes ..... 7

#### I. Progress Report..... 7

1.Formulation of Laws and Regulations Concerning Law Enforcement . 7

A. Bill of Amendment (Draft) to Certain Articles of the Statute for Narcotics Hazard Control

B. Narcotics Hazard Control Project

C. Drawing up Drug Source Analysis Approaches

D. Legislation of Controlled Delivery and Investigation by V-Man (Verdeckter Man)

2.International Cooperation in Anti-Drug Law Enforcement..... 10

A. Cases of International Cooperation

B. Repatriation of Escaping Narcotic-Related Criminals

C. International Anti-Drug Conferences

D. Collaborative Anti-Drug-Crime Operations Across the Strait

3.Anti-Drug Law Enforcement in Taiwan ..... 16

A. At-Sea and Coastal Anti-Drug Law Enforcement

B. Anti-Drug Law Enforcement at the Customs, Airports and Harbors

C. Inland Anti-Drug Law Enforcement

D. Custody and Destruction of Seized Narcotics

4.Statistical Analysis of Enforcement in Narcotic-related Crimes ..... 29

A. Quantity of Seized Narcotics

B. Narcotic Sources

C. Statistical Analysis of Cases Investigated by Enforcement Organizations

5.Cases of Anti-Drug Law Enforcement..... 38

A. Sino-Japanese Collaboration in Cracking Down Amphetamine

.....

Smuggling Cases

B. Heroin Smuggling via Fishing Ships

C. Growing Narcotic Plants

D. Narcotic Distributing Warehouses

E. Amphetamine Manufacturing Plants

F. Heroin Smuggling via Fishing Ships

G. Fake Drug Manufacturing Plants

H. Amphetamine Smuggling via Fishing Ships

I. Amphetamine Manufacturing Plants

J. Heroin Smuggling Cases

**II. Prospects of Enforcement ..... 51**

1. Establishing and Implementing An Integrated Anti-Drug Law Enforcement System ..... 51

2. Reinforcing the Coastal Guard ..... 51

3. Curbing the Inflow of Narcotics Smuggled from China ..... 52

4. Strengthening the Investigation of Neo-type Emerging Narcotics ..... 54

**Part Four Anti-Drug Effort..... 59**

**I. Educating the Public through Mass Media ..... 60**

1. Progress Report..... 60

A. Television Programs

B. Anti-Drug Commercials

C. Radio Programs

D. LED Advertising

E. Internet Advertising

F. Advertising through Printed Matters

G. Light Box Advertising

2. Prospects of Development ..... 66

**II. Constructing an Anti-Drug Abuse System by Implementing Drug Screen ..... 67**

1. Progress Report..... 67

.....

A. Department of Health (DOH)	
B. Ministry of Education (MOE)	
C. Ministry of Transportation and Communications (MOTC)	
D. Ministry of Economic Affairs (MOEA)	
E. Ministry of National Defense (MND)	
F. Council of Labor Affairs	
G. Coastal Guard	
H. Local Government	
2. Prospects of Development .....	81
<b>III. Improving Anti-Drug Campaigns with Integrated Social Resources and the Tightened Control of Substance Abuse</b>	
.....	<b>82</b>
1. Progress Report .....	82
A. Ministry of Education (MOE)	
B. Department of Health (DOH)	
C. Ministry of Justice (MOJ)	
D. Ministry of National Defense (MND)	
E. Ministry of the Interior (MOI)	
F. Ministry of Economic Affairs (MOEA)	
G. Ministry of Transportation and Communications (MOTC)	
H. Taipei City Government	
I. Kaohsiung City Government	
2. Prospects of Development .....	98
<b>IV. Preventing Hazardous Drugs by Encouraging Teenagers' Participation in Voluntary Anti-Drug Service, Holding Practicable Leisure Activities and Improving the Quality of Life</b>	
.....	<b>99</b>
1. Progress Report .....	99
A. National Youth Commission	
B. Ministry of Education (MOE)	
C. Council of Labor Affairs	

.....

2. Prospects of Development ..... 110

**Part Five Drug Abstinence .....113**

**I. Establishing a Drug Rehabilitation System .....113**

1. Progress Report ..... 114

    A. Formulating Rules Governing Designated Hospital-Based Rehabilitation Organizations

    B. Increasing Drug Rehabilitation Facilities

    C. Increasing Drug Rehabilitation Workforce

    D. Management of Drug Rehabilitation Organizations

2. Prospects of Development ..... 132

    A. Improvement of Medical Resources in Rehabilitation Institutions and Continual Implementation of Hospital-Based Rehabilitation Centers

    B. Sustained Revision of Evaluation Standards of Abusers' Tendency Continuing to Use Drugs After Observation and Rehabilitation Programs

    C. Planning for Independent Rehabilitation Centers

    D. More Effective Utilization of Social Resources and Incentives for Private Rehabilitation Services

    E. Implementation of Practicable Tracking and Counseling Service

**II. Development of Rehabilitation Models ..... 133**

1. Progress Report ..... 133

    A. Epidemiological Survey on Drug Addiction

    B. Research on Treatments for Drug Addiction

    C. Evaluation of Drug Rehabilitation Models and Performance

    D. Training Programs for Rehabilitation Workers

2. Prospects of Development ..... 141

    A. Improving the Performance of Rehabilitation with the Continual Development of Rehabilitation Models as well as Tracking and Counseling Service

    B. Expanding the Drug Abuse System and Researching on Other Rel-

.....

evant Systems in Taiwan

C. Strengthening the Analysis and Research on Neo-type Emerging Narcotics

D. Analyzing and Reviewing Anti-Drug Abuse Measures as Reference for Decision Making

## Part Six Conclusions ..... 143
