

Activity project	108/9/11 Legal Education
purpose	We sponsored legal counseling with the Yunlin branch of the Legal Aid Foundation once every quarter where the Legal Aid Foundation would send lawyers to each factory to speak on legal education. Once every quarter for two hours, legal consultation is held in the multi-function classroom where the Foundation would send 1 to 2 lawyers depending on the number of registered inmates to provide one-on-one consultation to the inmates. On September 11th, the 3rd of the legal education and consultation was held and a total of 184 inmates participated.
